

## Hillcrest Kids

Toddlers, Preschool and School Age

March 12, 2020

Dear SCHOOL AGE Parents,

With Bellingham Public Schools closing, we are moving to full-day care for our School Age kids (K-5<sup>th</sup> grade). If you need to add days to your child(ren)'s current schedule, please submit a new Schedule Request or update ASAP. There are still only a set amount of spaces available each day, so you are only currently covered for the days you normally pick up your child(ren) from Hillcrest Kids.

Check our website daily for updates on our status. In the unfortunate event that we are required to temporarily close, our website will be the first place to be updated. Calmness and cleanliness will win the day.

Thank you,

Ben Gifford
